SECTION I: GENERAL INFORMATION

1. Description of the serious disturbance in the economy of your country and the official reaction of your authorities

Considering that the COVID-19 outbreak affects all Member States and that the containment measures taken by Member States impact undertakings, the Commission considers that State aid is justified and can be declared compatible with the internal market on the basis of Article 107(3)(b) TFEU. The information below aims at clarifying the country specific situation:

- Data on the economic impact of the COVID-19 outbreak in your country, notably in the sectors covered by the scheme, information on liquidity shortage faced by undertakings, if available,
- Sequence of (main) events between the occurrence and the adoption of the notified measure including any official recommendations or prohibitions decided by the competent authorities.

2. General description of the aid measure

- National legal basis - please provide a copy;
- Granting authority and competent authority to manage the scheme, if different;
- Objective of the notified aid measure;
- Budget;
- Geographical scope;
- Beneficiaries: estimated number / sectors concerned / size of companies concerned, if relevant / exclusions from scope;
- Duration:
 - Date of entry into force of the scheme:
 - Confirmation of compliance with 108(3) TFEU³:
 - Time period in which beneficiaries can submit application for aid:
 - Latest date until which individual aid will be granted under the notified measure:

³ No aid granted before notification of the Commission's approval.

3. General confirmations and commitments:

- Confirm that aid granted under sections 3.1 to 3.8 and section 3.12 of TF COVID-19 is not open to medium⁴ and larger enterprises that were already in difficulty (within the meaning of the General Block Exemption Regulation⁵, the Agricultural Block Exemption Regulation⁶ or of the Fisheries Block Exemption Regulation⁷ respectively) on 31 December 2019;
- Confirm that if aid granted under sections 3.1 to 3.8 and section 3.12 of TF COVID-19 is open to micro and small enterprises⁸ that were already in difficulty on 31 December 2019, these enterprises, at the moment of granting of the aid, are not subject to collective insolvency procedure under national law and that they have not received rescue aid or restructuring aid. If these enterprises have received rescue aid, confirm that, at the moment of granting the aid, these enterprises will have reimbursed the loan or terminated the guarantee. If these enterprises have received restructuring aid, confirm that, at the moment of granting of the aid, these enterprises will no longer be subject to a restructuring plan.
- Confirm that credit and financial institutions are excluded from the scope of the notified aid measure and cannot benefit from the aid, except when the credit institution is channelling the aid in form of loans and guarantees under sections 3.1 to 3.3 and section 3.12 pursuant to the safeguards of section 3.4 and when the aid is granted under section 3.10 provided the scheme is not targeting exclusively employees from the financial sector.
- Confirm that the aid is not conditioned on the relocation of a production activity or of another activity of the beneficiary from another country within the EEA to the territory of the Member State granting the aid. This is irrespective of the number of job losses actually occurred in the initial establishment of the beneficiary in the EEA.

⁴ As defined in Annex I of the General Block Exemption Regulation.

⁵ As defined in Article 2(18) of the Commission Regulation (EU) No 651/2014 of 17 June 2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty, OJ L 187 of 26.6.2014, p. 1.

⁶ As defined in Article 2(14) of the Commission Regulation (EU) No 702/2014 of 25 June 2014 declaring certain categories of aid in the agricultural and forestry sectors and in rural areas compatible with the internal market in application of Articles 107 and 108 of the Treaty, OJ L 193 of 1.7.2014, p.1.

⁷ As defined in Article 3(5) of the Commission Regulation (EU) No 1388/2014 of 16 December 2014 declaring certain categories of aid to undertakings active in the production, processing and marketing of fishery and aquaculture products compatible with the internal market in application of Articles 107 and 108 of the Treaty, OJ L 369 of 24 December 2014, p. 37.

⁸ As defined in Annex I of the General Block Exemption Regulation.

- Confirm if aid under TF COVID-19 may be cumulated with de minimis aid⁹ and/or with aid under the General Block Exemption Regulation¹⁰; in such a case, confirm that the provisions of the relevant Regulations will be respected;
- Confirm if aid granted under the different sections of TF COVID-19 may be cumulated with each other; in such a case, confirm that the relevant provisions in the specific sections of TF COVID-19 are respected;
- For measures applicable to the primary agriculture and to the fisheries sectors, confirm if aid under the notified measure may be cumulated with other forms of Union financing; in such a case, confirm that the maximum aid intensities indicated in the relevant Guidelines or Regulations are respected;
- Confirm that SMEs are defined in line with Annex I of the relevant Block Exemption Regulation;
- Commit to comply with all the monitoring and reporting provisions in section 4 of the TF COVID-19:
 - The obligation to publish relevant information on each individual aid above EUR 100 000 granted under the measure and above EUR 10 000 in the primary agriculture and in the fisheries sectors on the comprehensive State aid website or Commission's IT tool within 12 months from the moment of granting¹¹;
 - To keep detailed records regarding the granting of aid for 10 years upon granting of the aid and commit to provide them to the Commission upon request. Such records must contain all information necessary to establish that the necessary conditions set out in the TF COVID-19 have been observed;

⁹ Commission Regulation (EU) No 1407/2013 of 18 December 2013 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid (OJ L 352, 24.12.2013, p.1), Commission Regulation (EU) No 1408/2013 of 18 December 2013 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid in the agriculture sector (OJ L 352, 24.12.2013 p. 9), Commission Regulation (EU) No 717/2014 of 27 June 2014 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid in the fishery and aquaculture sector (OJ L 190, 28.6.2014, p. 45) and Commission Regulation (EU) No 360/2012 of 25 April 2012 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid granted to undertakings providing services of general economic interest (OJ L 114 of 26.4.2012, p. 8).

²³ As defined in paragraph (84), (85) and (86) of Article 2 of the Commission Regulation (EU) No 651/2014 of 17 June 2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty, OJ L 187 of 26.6.2014, p. 1.

fundamental research and maximum 80% for experimental development and industrial research);

12. Confirm that, if the aided projects consist of different work packages which fall under fundamental research and industrial research/experimental development, the aid intensity for industrial research and experimental development will be applied, if the majority of costs incurred do not arise from work packages that fall under the category of fundamental research;

13. Confirm if a bonus of 15pp will be applied, if more than one Member State supports the research project, or it is carried out in cross-border collaboration with research organisations or other undertakings; If more than one Member State supports the research project, please specify which other Member State (or Member States) supports the research project (incl. SA number if already registered);

14. Confirm that the aid beneficiary commits to grant non-exclusive licences under non-discriminatory market conditions to third parties in the EEA;

15. Confirm that aid may be cumulated with other aid for the same eligible costs provided the combined aid does not exceed the ceilings defined under points 35 (d) and (e) of TF COVID-19.

POINT 5: FOR AID UNDER SECTION 3.7 OF THE TF COVID-19: INVESTMENT AID FOR TESTING AND UPSCALING INFRASTRUCTURES

1. Aid may be granted for the construction or upgrade of testing and upscaling infrastructures required to develop, test and upscale, up to first industrial deployment prior to mass production, COVID-19 relevant products, such as medicinal products (including vaccines) and treatments, their intermediates, active pharmaceutical ingredients and raw materials; medical devices, hospital and medical equipment (including ventilators and protective clothing and equipment as well as diagnostic tools) and necessary raw materials; disinfectants and their intermediary products and raw chemical materials necessary for their production; as well as data collection/processing tools; Describe the eligible projects and the COVID-19 relevant products that will be covered by the notified measure;
2. Indicate whether the eligible infrastructure is operated by the aid beneficiary, or by a separate operator;
3. Describe the form of aid (direct grant, repayable advances, tax advantages, loss cover guarantee);
4. Confirm that the aid is be granted by 30.06.2022;
5. Clarify if any loss cover guarantees included in the notified measure are granted in addition to a direct grant, tax advantage or repayable advance, or as stand-alone aid measure;
6. Confirm, where relevant, that any loss cover guarantee is issued within one month after the undertaking applied for it;
7. Confirm, where relevant, that the amount of losses to be compensated is established five years after completion of the investment; Confirm that the compensation amount is calculated as the difference between the sum of investment costs, reasonable profit of 10% p.a. on the investment cost over five years, and the operating cost on the one

hand, and the sum of the direct grant received, the revenues over the five year period, and the terminal value of the project;

8. Indicate if projects started before 1 February 2020 are eligible for aid. In such a situation, confirm that such projects are eligible, only if the aid is needed to accelerate their implementation, or to extend their scope. Confirm that only the additional costs in relation to the acceleration efforts or the widened scope are eligible for aid;
9. Confirm that the beneficiary will be required to complete the investment within 6 months after the date of the granting of aid;
10. For aid granted in form of direct grants or tax advantages, confirm that, where the 6-month deadline is not met, per month of delay, 25% of the amount of aid is to be reimbursed, unless the delay is due to factors outside the control of the aid beneficiary;
11. For aid granted in form of repayable advance, confirm that the repayable advance is transformed into grants if the 6-months deadline is respected; if not, the repayable advance shall be reimbursed in equal annual instalments within five years after the date of granting the aid;
12. Confirm that the eligible costs are the investment costs (*e.g.* land, buildings, and plant/equipment, immaterial assets) necessary to construct, or upgrade, the testing and upscaling infrastructures. List the eligible costs covered by the notified measure;
13. Confirm that assets (equipment, buildings, land, etc.) that are not used for the full lifetime of the infrastructure are taken into account only pro rata (*i.e.* depreciation over the lifetime, if applicable or pro rata of the capacity used for the infrastructure);
14. Confirm that the maximum aid intensity does not exceed 75% of eligible costs;

15. Confirm, where relevant, that a bonus of 15pp may be granted under the conditions of point 37 (f) of TF COVID-19 (*i.e.* if the support comes from more than one Member States or if the investment is concluded within two months after the date of aid granting or date of application of the tax advantage); If more than one Member State supports the project, please specify which other Member State(s) (incl. SA number if already registered);

16. Confirm that the aid shall not be combined with other investment aid for the same eligible costs;

17. Confirm that the eligible infrastructures are not predominantly dedicated to one undertaking, but constitute service providers that are open to, and serve multiple users, based on transparent and non-discriminatory conditions;

18. Confirm that any exceptional preferential access under more favourable conditions will be granted only to those undertakings that financed at least 10% of the investment costs of the infrastructure;

19. Confirm that the price charged for the services provided by the testing and upscaling infrastructure will correspond to the market price.

POINT 6: FOR AID UNDER SECTION 3.8 OF THE TF COVID-19: INVESTMENT AID FOR THE PRODUCTION OF COVID-19 RELEVANT PRODUCTS

1. Aid may be granted for the production of COVID-19 relevant products, such as medicinal products (including vaccines) and treatments, their intermediates, active pharmaceutical ingredients and raw materials; medical devices, hospital and medical equipment (including ventilators, protective clothing and equipment as well as diagnostic tools) and necessary raw materials; disinfectants and their intermediary products and raw chemical materials necessary for their production; data collection/processing tools; Describe the eligible projects and the COVID-19 relevant products that will be covered by the notified measure;
2. Describe the form of aid (direct grant, repayable advances, tax advantages, loss cover guarantee);
3. Confirm that the aid is be granted by 30.06.2022;
4. Clarify if any loss cover guarantees included in the notified measure are granted in addition to a direct grant, tax advantage or repayable advance, or as stand-alone aid measure;
5. Confirm, where relevant, that any loss cover guarantee is issued within one month after the undertaking applied for it;
6. Confirm, where relevant, that the amount of losses to be compensated is established five years after completion of the investment; Confirm that the compensation amount is calculated as the difference between the sum of investment costs, reasonable profit of 10% p.a. on the investment cost over five years, and the operating cost on the one hand, and the sum of the direct grant received, the revenues over the five year period, and the terminal value of the project;
7. Indicate if projects started before 1 February 2020 are eligible for aid. In such a situation, confirm that such projects are eligible, only if the aid is needed to accelerate their implementation, or to extend their scope. Confirm that only the additional costs in relation to the acceleration efforts or the widened scope are eligible for aid;

8. Confirm that the beneficiary will be required to complete the investment within 6 months after the date of the granting of aid;
9. For aid granted in form of direct grants or tax advantages, confirm that, where the 6-month deadline is not met, per month of delay, 25% of the amount of aid is to be reimbursed, unless the delay is due to factors outside the control of the aid beneficiary;
10. For aid granted in form of repayable advance, confirm that the repayable advance is transformed into grants if the 6-months deadline is respected; if not, the repayable advance shall be reimbursed in equal annual instalments within five years after the date of granting the aid;
11. Confirm that eligible costs are the investment costs (land, buildings, and plant/equipment, immaterial assets) necessary to create production capacities for the production of the COVID-19 relevant, and the costs of trial runs of the new production facilities. List the eligible costs covered by the notified measure;
12. Confirm that the maximum aid intensity does not exceed 80% of eligible costs;
13. Confirm, where relevant, that a bonus of 15pp may be granted under the conditions of point 39 (f) of TF COVID-19 (*i.e.* if the support comes from more than one Member States or if the investment is concluded within two months after the date of aid granting or date of application of the tax advantage); If more than one Member State supports the project, please specify which other Member State(s) (incl. SA number if already registered);
14. Confirm that the aid shall not be combined with other investment aid for the same eligible costs.

SECTION II: ADDITIONAL INFORMATION

POINT 7: FOR AID UNDER SECTION 3.9 OF THE TF COVID-19: AID IN FORM OF DEFERRALS OF TAXES AND/OR SUSPENSIONS SOCIAL SECURITY CONTRIBUTIONS

1. Confirm that the aid can only be granted based on an aid scheme;
2. Provide information about the tax or social contribution the payment of which will be deferred:
 - legal base,
 - collecting authority,
 - scope of the tax or social contribution, in particular relevant taxpayers, elements of calculation such as base, rate(s), and other parameters, periodicity of payment;
3. Indicate if the proceeds of the tax/contribution accrue to the general budget of the collecting authority or are they earmarked for a specific objective;
4. Describe the payments to which the deferral will apply, indicating whether the measure covers all pending payments of that tax or social contribution or whether the measure covers payments that are (or will become) due in a specific timeframe;
5. In case of other measures than mere deferrals, explain what the measures precisely are (e.g. easier access to tax debt payment plans, the granting of interest free periods, suspension of tax debt recovery, expedited tax refunds etc.);
6. If the deferral does not apply to all the undertakings subject to the tax/the social contributions concerned, explain to which subcategory of undertakings the deferral will be restricted: for example to which sectors, regions, types of undertakings;
7. Explain also the reasons why the measure will be limited to these undertakings;
8. Indicate the body responsible for managing the aid scheme and explain the procedure to be followed to grant the aid;

9. Explain the conditions to be fulfilled by an undertaking to benefit from the deferral (or to keep the benefit of the deferral);

10. Specify the starting date for granting the aid and confirm that the aid is granted by 30.06.2022;

11. Confirm that the end date of the deferral of taxes and/or social contributions is not later than 30.06.2023.

SECTION II: ADDITIONAL INFORMATION

POINT 8: FOR AID UNDER SECTION 3.10 OF THE TF COVID-19: AID IN FORM OF WAGE SUBSIDIES FOR EMPLOYEES TO AVOID LAY-OFFS DURING THE COVID-19 OUTBREAK

1. If the wage subsidies do not apply to all undertakings, explain to which subcategory of undertakings the measure will be restricted: for example to which sectors, regions, types of undertakings; Explain also the reasons why the measure will be limited to these undertakings;
2. Confirm that the aid can only be granted based on an aid scheme;
3. Confirm that the notified measure intends to contribute to the wage costs of undertakings which, due to the COVID-19 outbreak, would otherwise lay off the personnel or to the wage equivalent income of self-employed individuals for whom the adoption of national measures in response to the COVID- 19 outbreak resulted in the suspension or reduction of their business activity;
4. Specify if the notified measure covers contributions to wage costs or equivalent payments to the benefit of self-employed individuals;
5. Confirm that employers/applicants have to prove/declare that they would have laid off the benefitting personnel covered by their application or would have been at risk of being laid off, without the aid; Confirm that for self-employed individuals they would have to prove/declare that the adoption of national measures in response to the COVID-19 outbreak resulted in the suspension or reduction of their business activity;
6. Confirm that the employers have to commit to maintain the benefitting personnel in continuous employment for the period during which they receive the aid; In the case of self-employed confirm that they have to commit to maintain the relevant business activity of the self-employed individual for the entire period for which the aid is granted;

7. Confirm that the wage subsidy will be paid out on a monthly basis;
8. Indicate the amount of the monthly wage subsidy as compared to the monthly gross salary (including employer's social security contributions) of the benefitting personnel; confirm that the maximum 80% aid intensity is respected; confirm that 80% of the average monthly wage equivalent income of the self-employed individual is respected;
9. Indicate if an alternative calculation method is used to calculate the aid intensity such as using the national wage average or minimum wage (or in the case of self-employed the monthly equivalent of their declared net income) or the monthly gross wage cost of the employees concerned (or the monthly wage equivalent income of self-employed individuals) before the COVID-19 outbreak. Describe such an alternative method and justify why it is considered proportionate;
10. Explain the conditions to be fulfilled by an undertaking to benefit from the wage subsidy;
11. Confirm that undertakings have to apply for the wage subsidy and they have to justify how they fulfil the eligibility conditions; if this is not the case, describe the conditions to grant the aid under the notified measure;
12. Confirm that individual aid awards of the wage subsidy scheme are granted no later than 30.06.2022;
13. Indicate if wages subsidies will be paid retroactively, for periods prior to the submission of the aid application; specify the periods that can be covered and provide justifications;
14. Indicate if a combination of the aid measure with other general employment measures or employment aid measures is possible; specify with which ones and describe how it will be ensured that this will not lead to overcompensation of the benefitting undertakings;

15. Confirm that the scheme does not exclusively target employees of credit or financial institutions and is open to several other sectors;

16. Provide any other information deemed to be relevant for the assessment of the notified measure.

SECTION II: ADDITIONAL INFORMATION

POINT 9: FOR AID TO BE GRANTED UNDER SECTION 3.12 OF THE TF COVID-19: AID IN FORM OF SUPPORT FOR UNCOVERED FIXED COSTS

1. Confirm that the aid is granted no later than 30.06.2022 and covers uncovered fixed costs incurred during the period between 01.03.2020 and 30.06.2022, including such costs incurred in part of that period ('eligible period');
2. Confirm that the aid is granted on the basis of a scheme to undertakings that suffer a decline in turnover during the eligible period of at least 30% compared to the same period in 2019;²⁴
3. Confirm that uncovered fixed costs are defined under the measure in accordance with point 87(c) of the Temporary Framework and that the aid intensity shall not exceed 70% of the uncovered fixed costs, except for micro and small companies, where the aid intensity shall not exceed 90% of the uncovered fixed costs;
4. Confirm that: (i) the losses of undertakings from their profit and loss statements during the eligible period²⁵ are considered to constitute uncovered fixed costs; (ii) the aid under this measure may be granted based on forecasted losses; (iii) the final amount of aid shall be determined after realisation of the losses on the basis of audited accounts or on the basis of tax accounts; and (iv) any payment exceeding the final amount of the aid shall be recovered. If the final amount of aid is determined on the basis of tax accounts, provide appropriate justification (for example in connection with the characteristics or size of certain type of undertakings);
5. Confirm that the overall maximum aid amount per undertaking²⁶ (gross, i.e. before any deduction of tax or other charge) is respected;
6. Describe the form of aid (direct grants, tax and payment advantages or other forms such as repayable advances, guarantees, loans, equity);

²⁴ The reference period is a period in 2019 irrespective of whether the eligible period is in 2020 or in 2021.

²⁵ One-off impairment losses are not included in the calculation of the losses.

²⁶ See paragraph 87(d) TF COVID-19.

7. Confirm that for aid granted in forms other than direct grants, the total nominal value of such forms remains below the overall maximum aid amount per undertaking;
8. Confirm that if the beneficiary receives aid on several occasions or in several forms under the measure or aid under other measures approved by the Commission under section 3.12 of TF COVID-19, the overall maximum aid amount per undertaking, as set out in point 87(d) of TF COVID-19 is respected;
9. Confirm that the aid under this measure shall not be cumulated with other aid for the same eligible costs;
10. If the aid is channelled through credit institutions or other financial institutions (Section 3.4 of TF COVID-19), describe how it is ensured that the advantage is passed on to the final beneficiaries by the financial intermediaries (in particular in schemes in which guarantees are used for existing loans, please describe in more detail the safeguards put in place to ensure the interest rate adjustments is fully passed through);
11. If the aid is granted in the form of guarantees, confirm that the mobilisation of the guarantees is contractually linked to specific conditions, which have to be agreed between the parties when the guarantee is initially granted.

Annex I - Language waiver

In order to speed up the processing of the notification, the below language waiver should be provided with the notification, on letterhead of the relevant authorities, dated and signed. Please clearly identify the measure(s) for which the language waiver is provided.

Due to the urgent need to adopt and notify a Decision in relation to the present notification relating to [brief description of the scheme subject to the notification], the [national: specify] government agrees exceptionally to waive its rights deriving from Art. 342 TFEU in conjunction with Art. 3 of the EC Regulation 1/1958 and to have the planned Decision adopted and notified pursuant to Article 297 of the Treaty in English language.
